No.F.3(77)UDH/3/2010Part-IV

Jaipur Dated : 23 FEB 2018

**Order**

Electrification of Colonies and Townships developed by Local Bodies is undertaken by Urban Authorities and after carrying out necessary works in these schemes are handed over to the Discom and the system is being maintained by the Discom.

In larger public interest it is decided that the works related to development of electrical network or shifting of electric lines is to be carried out by the Discom under deposit works for maintaining the requisite quality and standards. Accordingly the work related to development of electrical network and for shifting of electric line in the schemes or townships developed by Local Authorities shall be given to Discom as deposit work for maintaining required quality and standard. This was principally approved in coordination committee meeting held on 01.09.2017. Alternatively Urban Local Authorities may carry out electrification/shifting work on their own, provided major items namely Power Transformer, Distribution Transformer, 33 K.V./11 K.V. Cables, 33 K.V. and 11 K.V. breakers, so used will be provided by DISCOM.
